GENERAL INFORMATION: The Shotmarker Electronic Targets System will be used. Competitors should bring an electronic device with sufficient power for a full day of operation and a browser capable of accessing an internal webpage over the Range WiFi. With the electronic target system, competitors are still required to score. Paid score keepers are not permitted. Competitors may be required to assist setting up and taking down targets; failure to do so may lead to disqualification. In the event of a catastrophic failure or malfunction of the electronic target system, the Match Director will reserve the right to either delay the match or to switch to manual targets. All competitors will be required to perform pit duties if such a case arises. If a substitute puller is used, the competitor shall accompany the substitute puller and is responsible for their attendance and performance in the pits.
